2022 SPONSORSHIP OPPORTUNITIES

With the surge in entertainment options available to businesspeople it's becoming easier for them to avoid or ignore the advertising clutter. Sponsorships are a viable way for a company to broaden its reach.

Companies have learned that the best way to strengthen their bonds with their customers is by creating memorable experiences. Since 1968, CSCMP's Chicago Roundtable has been providing educational support and networking opportunities to the Chicagoland supply chain community.

A year-round sponsorship is the perfect way to reach a highly-qualified target audience of influential supply chain management professionals.

Through virtual and in-person events your company will enjoy exposure to a highly-targeted and powerful group of supply chain executives who are directly responsible for implementing, integrating, and improving the effectiveness of their organizations' supply chains.
