Sessions

9:15 TO 10:00 AM

Ingredion's Digital Transformation

SPEAKER: **KIM JUDGE**

This session will share Ingredion's digital transformation and how their use of advanced technologies enabled improved decision-making across the supply chain organization during times of extreme demand volatility and significant supply disruption.

Learn about the challenges they have faced along the way, how they have worked to overcome them, and their digital supply chain strategy for the future.

KIM JUDGE

SR. DIRECTOR GLOBAL DIGITAL SUPPLY CHAIN
INGREDION

Sessions

10:00 TO 10:45 AM

The Journey of Real-time Visibility and High-Fidelity Data

SPEAKER: **CHRISTIAN PILLER**

The last 2 years has highlighted that challenges that face the global supply chain will only become more intense and more frequent.

Real-time visibility is no longer optional as customers still want the experience they had pre-pandemic while shippers have to navigate the realities of a post-pandemic world. In addition, there is port congestion, sustainability, and other emerging topics / trends.

CHRISTIAN PILLER

SUPPLY CHAIN DIGITALIZATION & SUSTAINABILITY LEADER
PROJECT44

Sessions

11:00 TO 12 NOON

Next Generation Tech Driven Supply Chain

SPEAKERS: **NICK CHODOROW AND SEBASTIAN SANCHEZ**

This session will share how Operations and IT collaborated to navigate pandemic uncertainty and shape the future of Supply Chain.

Learn about our decision making process to define our roadmap, including what challenges we faced and how we solved them.

NICK CHODOROW

CIO
ARCTIC GLACIER PREMIUM ICE

SEBASTIAN SANCHEZ

VP CORPORATE LOGISTICS
ARCTIC GLACIER PREMIUM ICE

Sessions

1:00 TO 1:45PM

What Does The Future of Work Bode for Supply Chain Talent in the Manufacturing Sector?

SPEAKERS: **NASEEM MALIK AND JULI DOMINGUES**

As the Future of Work remains a WIP, learn more about the key trends related to talent attraction, retention, and capability shift underway across the industry.

We'll share what Mars has learned as they engaged in initiatives to address challenges and prepare for future opportunities.

NASEEM MALIK
MANAGING PARTNER
MRA GLOBAL SOURCING

JULI DOMINGUES
GLOBAL P&O BUSINESS PARTNER
MARS WRIGLEY
